ANARCHY RULES MEXICO. SAYS RUSSIAN DIPLOMAT

No Prospect of Stable Government.

in Opinion of Alexandre de Stalegsky.

NEW YORK, September 26 .- Before sailing for Glasgow on his way to Petrograd aboard the Olympic today, lexandre de Stalegsky, Russian minister to Mexico, spoke freely on conitions in that country as he said he had found them.
"Mexico is without a government and

practically in a state of anarchy." he

said. "With the exception of the state of Yucatan, where some semblance of order is still maintained, it is unsafe for a person to travel in Mexico "Bands of brigands that rob, burn and pillage as they please without interference from the authorities are the cause of all the trouble. There is no interference from the national authorities simply because there is no national government worth mentioning. "The United States should not withdraw its troops from Vera Crus. From what I was able to observe there is no prospect that a stable government may be established in Mexico. "Carransa is an able political chief. He cannot compare with Villa as a leader of men. "I am frank to state that conditions in Mexico today are not one-half as good as they were during the reign of Madero."

Border Bridges Guarded.

BROWNSVILLE, Tex., September 26.

Military guards were today re-established by the United States troops at the international bridge approaches here.

Silliman on Way to Mexico City. SAN ANTONIO, Texas, September 2 John R. Silliman, vice consul at Sal-tillo and President Wilson's personal representative in Mexico, left here to-night for Mexico City on orders from Washington. He came here today from Laredo, where he had been mak-ing a special investigation of border conditions.
